WE EXIST TO UNITE PEOPLE WITH PURPOSE.

Dear Union,

2021 was one for the history books, one that we will never forget. In 2021, we laid down logos and egos to pursue God's plan for our church, to merge and impact the DMV more than we could have ever done separately. As we reflect on the year, we cannot help but be thankful for YOU – your dedication, generosity, and service to building God's house.

To say that God did the miraculous is a gross understatement. From merging two churches to helping people find hope and community, to our impact made in Kenya and other countries overseas...it is amazing to see how far God has taken us. This year you created space for over a thousand people to come to a saving knowledge of Christ, and you donated over 1.2 million dollars to outreach and missions. Thank you for being such a life-giving and generous church.

These following few pages cannot do justice to what we accomplished together in 2021, but we pray that it will act as a simple reflection and celebration of a chapter of our story. As you read through these pages, we ask that you reflect on the goodness of the Lord and build expectations for the miracles that are to come.

FOUND FREEDOM IN GROUPS

A STORY OF LIFE CHANGE

"When my husband passed away, I was devastated. I could not understand how a loving God could allow something like that to happen to me after I had invested years into building His house. I was hurt, lost, and alone. I was disappointed and felt that God had abandoned me. I knew that I was in dire need of community and support. Union Groups provided that for me. Attending Groups was reviving and rejuvenating. My first Group was embracing purpose. In that group, I found healing, deliverance, and my unique purpose." — Diane
