Dream Teams

Dream Teams serve on Sundays at our worship experiences. Some teams may serve during the week and at various events as needed.

COMMUNICATIONS: This team uses their gifts of administration and desire for the details to help people who want to get connected to the church. They make sure no one feels invisible, whether it's a first-time visitor or someone who gave their life to Christ. If you have a love for data and connecting people to the information they crave, this is the team for you!

DIGITAL TEAM (BWI ONLY): Do you love connecting with people online? Whether you're interested in creating content, live streaming, or building relationships digitally we have a place for you. You will get the chance to curate content for Instagram, interact with our online community via Facebook and YouTube and so much more. This team will give you the opportunity to connect with thousands and unite people with purpose all across the world.
